JOHNNY APPLESEED

Born September 26, 1774 - Died March 18, 1845

Johnny Appleseed planted apples so no one would go hungry.

Color and label the parts of the apple.

 peel core stem leaf

We thank Johnny for his courage and kindness, and a simple dream that changed our country one apple seed at a time.

Color the apples in the border in a red, green, yellow pattern.
 Bonus: How many apples are there?
