

It's All About **Comprehension!**

Make Sure to Infer

come to conclusions based on facts, hints, and suggestions

Question Yourself Quietly

identify matters that you are unsure of

Pick Out What's Important

list story elements, key facts, or main points

Make Connections Count

link your own experiences, information you've read, and current events

Pause and Predict

use clues and what you already know to think about what will happen before it happens

Be Wise and Visualize

create pictures in your mind from the words you read

Organize and Synthesize

combine all your information to build a new thought or idea
