

# CONQUER THE PROBLEM!

What is being asked?

What would be a reasonable answer?

How can I get my answer across most efficiently?

Is there more than one way to solve this problem?

Is my plan effective?

Will I be able to support my answer?

Did I answer the question?

Does my answer make sense?

Is my answer clear?

## PLAN

- Read and visualize
- Reread to clarify
- Plan a strategy

## SOLVE

- Choose strategies
- Show thinking
- Prove answer

## CHECK

- Check work
- Reread question
- Answer completely
