

ROLLING BALL CART

Here's What You Get!

		
A Netting	B Caster	C Corner
1 pc.	4 pcs.	4 pcs.

		
D Long Bar	E Medium Bar	F Short Bar
4 pcs.	4 pcs.	4 pcs.

1. Place the netting (A) on the floor ensuring that the logo at the top faces out when held up. Insert 2 long bars (D) into the bottom sleeves at the front and back of the netting.
2. Insert 2 short bars (F) into the bottom sleeves on the right and left sides of the netting.

ROLLING BALL CART (continued)

- Attach the casters (B) to the bars at the bottom of the netting, making sure the casters face the ground.

- Insert the 4 medium bars (E) into the top openings of the casters, making sure the bars are inside the netting.

- Place the 4 corner pieces (C) on top of the medium bars.

- Slide the 2 remaining long bars (D) through the front and back sleeves at the top and insert into corner pieces. Slide the remaining 2 short bars (F) through the sleeves on the left and right sides and into the corner pieces.
