### Introducing the EZread™ Mini Flash Cards: CVC

Help students learn CVC words in a flash—whether at school or at home! Pairs of CVC words with the target sounds in bold accelerate decoding. The pairing helps students to see the change in the second word, which helps them attend to the beginning, middle, and ending sounds. Self-checking pictures on the back of the flash cards motivate independent learning. Color-coded for beginning (green), middle (red),

and ending sound (blue) changes, the cards are also numbered, making differentiation and management a cinch.

#30 middle sound (vowel) change

Track students' progress in mastering CVC words by completing the *Progress Monitoring Sheet*.
