

Communication

Treat others the way that you want to be treated. Remember, other Internet users also have feelings.

Honor other people's opinions. Respectfully disagree, and give reasons.

Comment only when it's relevant, valuable, and constructive.

Keep a cool head. If you are upset with what someone writes, wait five minutes before you respond.

Use proper English so that others can understand you.

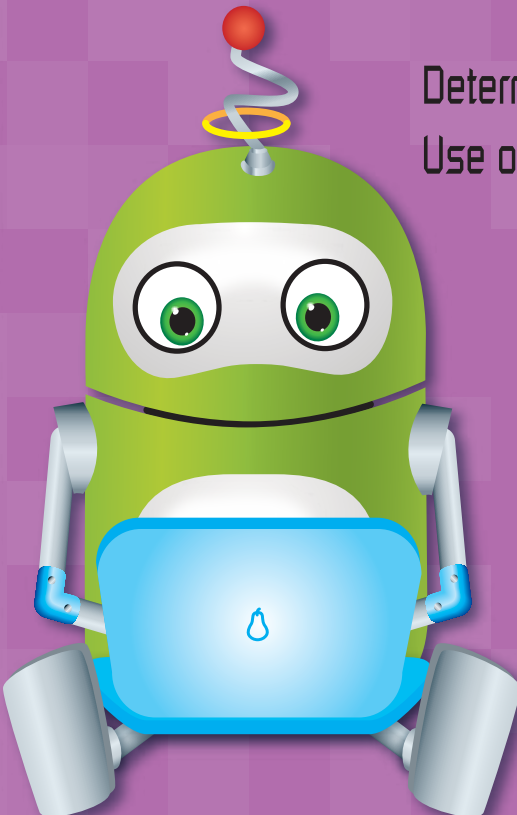

Information

Give credit when sharing other people's words, images, or research.

Determine the credibility of all sources. Use only credible ones.

Cross-reference information that you gather.

Monitor your attention.
Focus on the task that you
are using the device for.

Common Sense

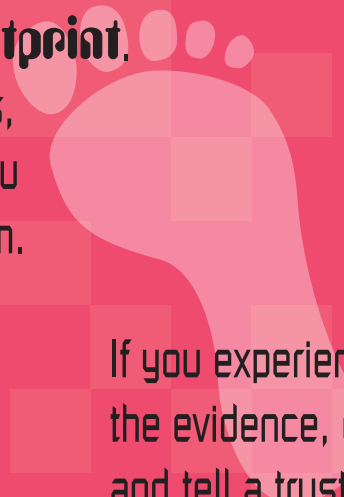

Use electronic devices only
when you are supposed to.

Talk to an adult if you encounter
anything that disturbs you.

Be aware of your **Digital Footprint**.
When you post pictures, videos,
video chats, and comments, you
may not be able to remove them.

Safety

If you experience cyberbullying: Save
the evidence, don't respond or retaliate,
and tell a trusted adult.

Use extreme caution when
communicating with someone
you don't know.

Protect your personal information.
