

Strategies for Test Success

Nail the Details!

Underline, circle, or highlight the details or keywords in questions. This will help you focus on what each question is asking.

Predict an Answer!

Make an educated guess before reading all of the choices.

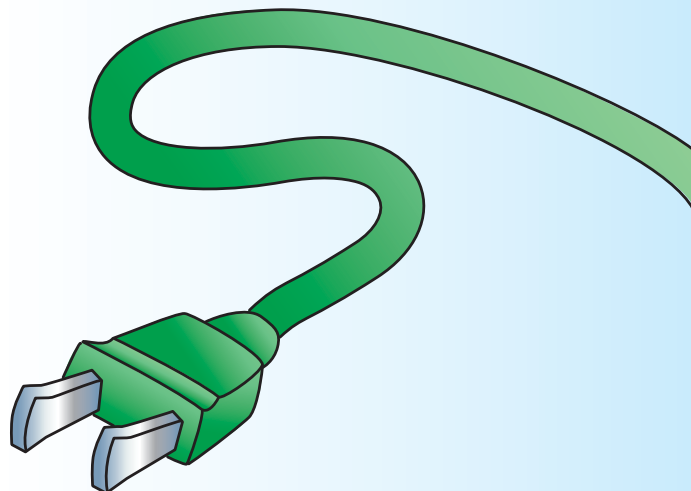

Slash the Trash!

Read all of the choices, and get rid of any you know are wrong. Choose the *best* answer from what is left.

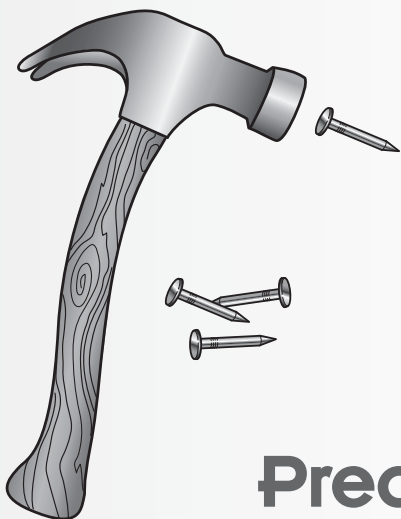

Plug It In!

Once you have chosen your answer, plug it in, and make sure it makes sense.
